SPECIAL VERDICT AND JUDGMENT

This case is before the Court following withdrawl of a previously entered not guilty plea and entry of a plea of not guilty by reason of insanity on February 24, 2016. Defendant waived his right to trial by jury in writing and on the record. The Court conducted a nonjury trial on February 24, 2016. Based on the jointly-filed stipulated statement of facts (Government Exhibit 3) as well as the medical reports of Dr. Richard Scott (Defendant Exhibit A) and Dr. William Newman (Defendant Exhibit B), and the victim's written witness statement (Government Exhibit 1), all entered without objection, the Court finds, pursuant to 18 U.S.C. Section 4242, as follows:

1. The Government proved beyond a reasonable doubt each element of Count I charging Defendant with violation of 25 C.F.R. Section 11.409 and Count II charging Defendant with violation of 25 C.F.R. Section 11.400 (a)(1).
2. Defendant provided proper notice of intent to rely on a defense of insanity pursuant to Federal Rule of Criminal Procedure 12.2.
3. Defendant proved by clear and convincing evidence that at the time of the commission of the offenses charged, he suffered from a severe mental disease or defect which rendered him unable to appreciate the nature and quality or the

wrongfulness of his acts.

Accordingly,

IT IS HEREBY ORDERED that pursuant to 18 U.S.C. 4242 (b)(3), defendant BARRY KEITH PEER is adjudged not guilty by reason of insanity of violations of 25 C.F.R. Section 11.408 (Count I) and 25 C.F.R. 11.400 (a)(1) (Count II) as charged in the information.
